

Crestline Neighborhood Association Minutes

June 25, 2026

6:00 pm Fellowship Hall

Hope Community Church

Call to order by President Todd Russell.

Roll Call- please sign in on sheets at back.

17 people were present.

A motion was made to accept the Agenda by Jen Troxell. It was seconded by Steve Miller. All were in favor.

A motion was made to accept the Minutes of the last meeting of May 28, 2026 by John Trott. They were seconded by Valerie Boyd. All were in favor.

City Council:

India Bailey gave us an update about the progress of the Shades Creek Trail. They are very pleased with the progress that has been made in spite of all the rain. There is less than a half of a mile remaining to be paved. But they need 4 consecutive dry days to do so and that has not happened yet. They are 90% done with all the fencing. Then it will take about a month to finish the landscaping. They are addressing some problems with standing water drainage areas as well.

She reported that the homeless person at the Purple Onion was removed about a week after our last meeting, then he came back when he got out of jail. They are still working on that issue.

Todd told India that several 311 calls were made about the homeless person at the Winn/Dixie location. India said that even if the police arrest the person, it is only a misdemeanor charge, and they can get out of jail in a day or two and go back.

New Business:

Crestline Park Community Foundation President Tanner Parsons reported that there was a resignation from the Board. Bartlett Walker resigned his position as Assistant Treasurer for personal reasons. Gracie Davis has taken his place. They are excited about having her. He said they would like more volunteers to be on their Board.

Tanner said that they have a new logo that Gracie has designed.

The Foundation is planning to send out a mass email about their mission statement, how people can get more involved in the foundation, etc.

The "Yoga In The Park" event turned out to be a big success in Crestline Park. They got lucky with the weather and Tanner counted about 25 people who came. He posted the pictures on What's Happening In Crestline Park on Facebook. He wants to have a backup location with future outdoor events they have in case of bad weather. He hopes they can coordinate with Hope Community Church to use the Fellowship Hall for that. We would have to confirm that with the church contact person, Reggie Hatcher.

John Trott said he would like to know what the possibility is of getting a new Baby Swing added to Crestline Park. He said he thinks there is room on the support poles to add a new one. India said that she was contacted by Al Gibbs earlier about it as well. India said that the Parks and Recreation Department is looking into it. John asked India if there was someone citizens can call at the city about it. India replied that citizens are welcome to call anyone director at the city they choose. However, it is illegal for Councilor Hunter Williams' office to contact directors directly due to the Mayor/Council Act.

Old Business:

Marion asked Todd for an update about the new dog poop stations and related equipment we voted to purchase for Crestline Park in our meeting last September. Todd said that he sent the Project Request Form in to the city and it can take up to 12 months to get it. India said she can check into the progress of it at the city end. Todd told Marion that he will follow up with Whitney Mullen as well.

With there being no further business, Todd adjourned the meeting at 6:15 pm. Our next meeting will be 7/23/26.

Submitted by Marion Barnett, Crestline NA Secretary
